## PROFESSIONAL APPOINTMENTS

On Saturday 20th, in our networking area, the Sala Plaza of the Basque Contemporary Art Centre/Museum ARTIUM in Vitoria, speakers from our programme will be available to assist our participants.

Through a previous appointment system, arranged by the IRUDIKA organisation, the Euskal Iridigileak team, we will make our speakers aware of all the requests of those who ask for appointments.

Each speaker will select a maximum of 16 people to attend, which means that there will be more than 100 appointments during the second day of IRUDIKA, 20th October from 9 to 11am and 4 to 6pm.

Each appointment will last 15 minutes. You will be given the option of assessment of portfolios or a consultation of technical or professional doubts. In the registration document, you should explain your motive for requesting an appointment, which will be evaluated by the speaker along with your website or by attaching a portfolio.
